

If you are a
business owner,
get ready to...

Move the Needle!

**FEATURING ENTREPRENEUR, BUSINESS CONSULTANT
AND MARKETING STRATEGIST IRA M. GOSTIN MBA, APR**

***If your small business or start-up is ready for
growth, take action with this unique business
growth consultation package.***

Ira Gostin is an entrepreneur with numerous start-ups and brand revitalizations under his belt, including leading marketing on a \$400 million IPO and over \$1 billion in corporate equity and acquisitions. He specializes in marketing and communications growth strategies for big companies and small businesses alike, all designed to move the needle on your business.

Growth consulting packages begin with a two-hour discovery meeting and weekly check-ins and progress planning. Your business may be ready for growth, a change in direction or you might be looking for outside investors.

Ira will create a custom growth package for your business, specifically designed to guide you through the obstacles that are holding you back, building a success path to get you to the next level.

Moving the Needle on your business gives you more profits and more time off. So email Ira today for a complimentary assessment call.
